13th Annual

ROCK'N'RAIL CAR AND MOTORCYCLE SHOW

The Griffith Firefighter's Association would like to thank you for participating in what has now become a much anticipated event!

- OUR INVOLVEMENT IS TO -

Strengthen Local Ties • Enjoy a Fun Time with Fellow Enthusiasts • Raise a Few Funds for Non-Budgeted Items

- ALL PROCEEDS GO DIRECTLY TO THE FIRE DEPARTMENT & WILL BE USED TO -
Maintain Fire Prevention and Safety Programs • Purchase Life Saving Equipment

-WE ARE BY NO MEANS - Professional Judges - Nor Do We Pretend to Be

We are a bunch of firefighters that come from all different backgrounds and work full-time jobs outside the department. Our awards are not meant to be prestigious - just fun!

We just want to have a good time with some great people.

Since our department is completely volunteer, we rely on the generosity of local businesses and private citizens who are willing to assist us in our efforts to keep ours and surrounding communities safe.

Thank You for Your Support and Your Commitment to our Community!
